We have no papers, maps or account books of General Philip Schuyler which would seem to ^wthrough any light on those names. Your inquiry about the names Powell and Randolph is not definite enough for me to determine what information we might have that would interest you. We really need first names in order to make searches practicable.

Bath, Ont., 26 June, 1960.

Mrs. Paul Clausen,
Tottenham, Ont.

Dear Mrs. Clausen:

I have spent all my spare time since I met you, delving into the many facets of your problem, and, as you can see by the attached papers, I have come up with a great deal more information than I had anticipated. In addition, I can call to mind many other sources of information, which I shall outline later in this letter.

Please let me deal with the various sources which I enclose. Let's take them in order--see my numbers in the upper left corner.

1. Excerpts from "Manchester in Vermont History, by Chapin, establishes the origin of the family in Dutchess County, N. Y., town of Amenia. It adds another generation, Samuel the father of Samuel the Loyalist, the first settler in Manchester, together with some legendary history of the family
2. Notes from Mrs. Reed, taken from papers of Manchester Historical Society, are much more definite, in that they supply names of brothers and sisters of Samuel, the Loyalist, as well as various wills and birth dates of collateral families.
3. Vermont State Papers prove Samuel Rose a Loyalist who was proscribed and his estate confiscated. There is also a reference to Canfield, the name of Samuel's wife's family.
4. Excerpts from the Waldimand Papers, indicating that Samuel was a Loyalist and that he had been taken prisoner in 1780. These papers also supply information as to Samuel's family during the War. Apparently Samuel's family consisted of 7 children in 1781, with a daughter born between that time and 1784. We also learn that he originally settled at Sorel.
5. A list of the children and some of the grandchildren of Samuel, Sr., who drew lands as Loyalists. I have also indicated, where possible, the husbands, or wives, of Samuel's children.
6. Leavitt's History of Leeds and Grenville confirms the names of children of Samuel, Sr. It also indicates at least one of the children of Samuel, Jr., namely Charlotte, who drew land as a Loyalist. I do not know why the others did not apply for land. The item re John Rose (top of p. 2) is confusing, in that it states that he emigrated from Scotland as a boy. He may, or may not, be John, son of Samuel, Sr. I suspect that he is not. Please look at the first photostat, which refers to a John Rose who came from Ulster County. I believe him to be a brother of an Alexander, also a Loyalist.
7. Because of the fact that the christian name, Ara, or Arra, recurs in your Rose family, I suspect that your family may be Dutch in origin. So, I have added some early notes relative to Arie (easily transformed into Arra) Rose who very early settled in the neighborhood of Dutchess County, as well as some early land applications of Roses. While there is no proof of connection, these may come in handy later in your research. Also note connection with the Ostrander family.
8. I also add information regarding another Arra Rose, of Sidney Township, County

Secretary,
The Manchester Historical Society,
Manchester, Vt.

Dear sir:

Recently I was privileged to read excerpts from a most interesting booklet, "Manchester. Vermont History," written by Mr. Carl M. Chapin, and copyrighted by your Society. This intrigued me very much, as some of my ancestors, particularly the Roses, were mentioned it it.

Would you please tell me if it is possible to obtain copies at this late date? If so, I should like more than one, in order that one or more may be placed in the Archives of our Local Historical Societies. Your reply would be appreciated.

Yours sincerely,

CHAIRMAN OF GENEALOGICAL RECORDS
ORMSBY CHAPTER, D. A. R.

My dear Dr. Demarest,-

Your letter of October 26th was duly received.

If you will send me the name and address of the Marsh Descendant in New Jersey, I will forward you Marsh Data to him, then ask him to return it to me. By that time I will have more free time to copy them, and will then return them to you. All this if you approve!

I don't hope your Crown Attorney can suggest some way of finding whether Jonathan Sexton and his wife, Elizabeth Marsh Sexton, did leave any Probate records.

I have most of the Sextons and their Descendants well in hand now, but would like to be sure I have the names of all of Jonathan's children.

I haven't anything at hand on Eliakim Weller, but as soon as I can, will see what there is here on him. I know one of the Wellers had an Inn, which, I understand, stood on the place across the street from our house. I judge you have reason to think that your Stephen Young was connected with that family in some way.

I don't remember (off hand) any Weller Vital records here, but there may be, at that. I should know those by heart now!

I enclose on a separate sheet the names of the Roses who lived here, as your Dr. Burleigh might like them.

Some of that family from Dutchess County N.Y. may have settled in, or near Saratoga -does he mean Saratoga New York ? He says Saratoga District.

In the Manuscript section of the New York State Library, Washington Avenue, Albany N.Y., they have copies of Saratoga County Probates up to 1803. They will answer Queries there. Dr. Burleigh might get information there, of help to him.

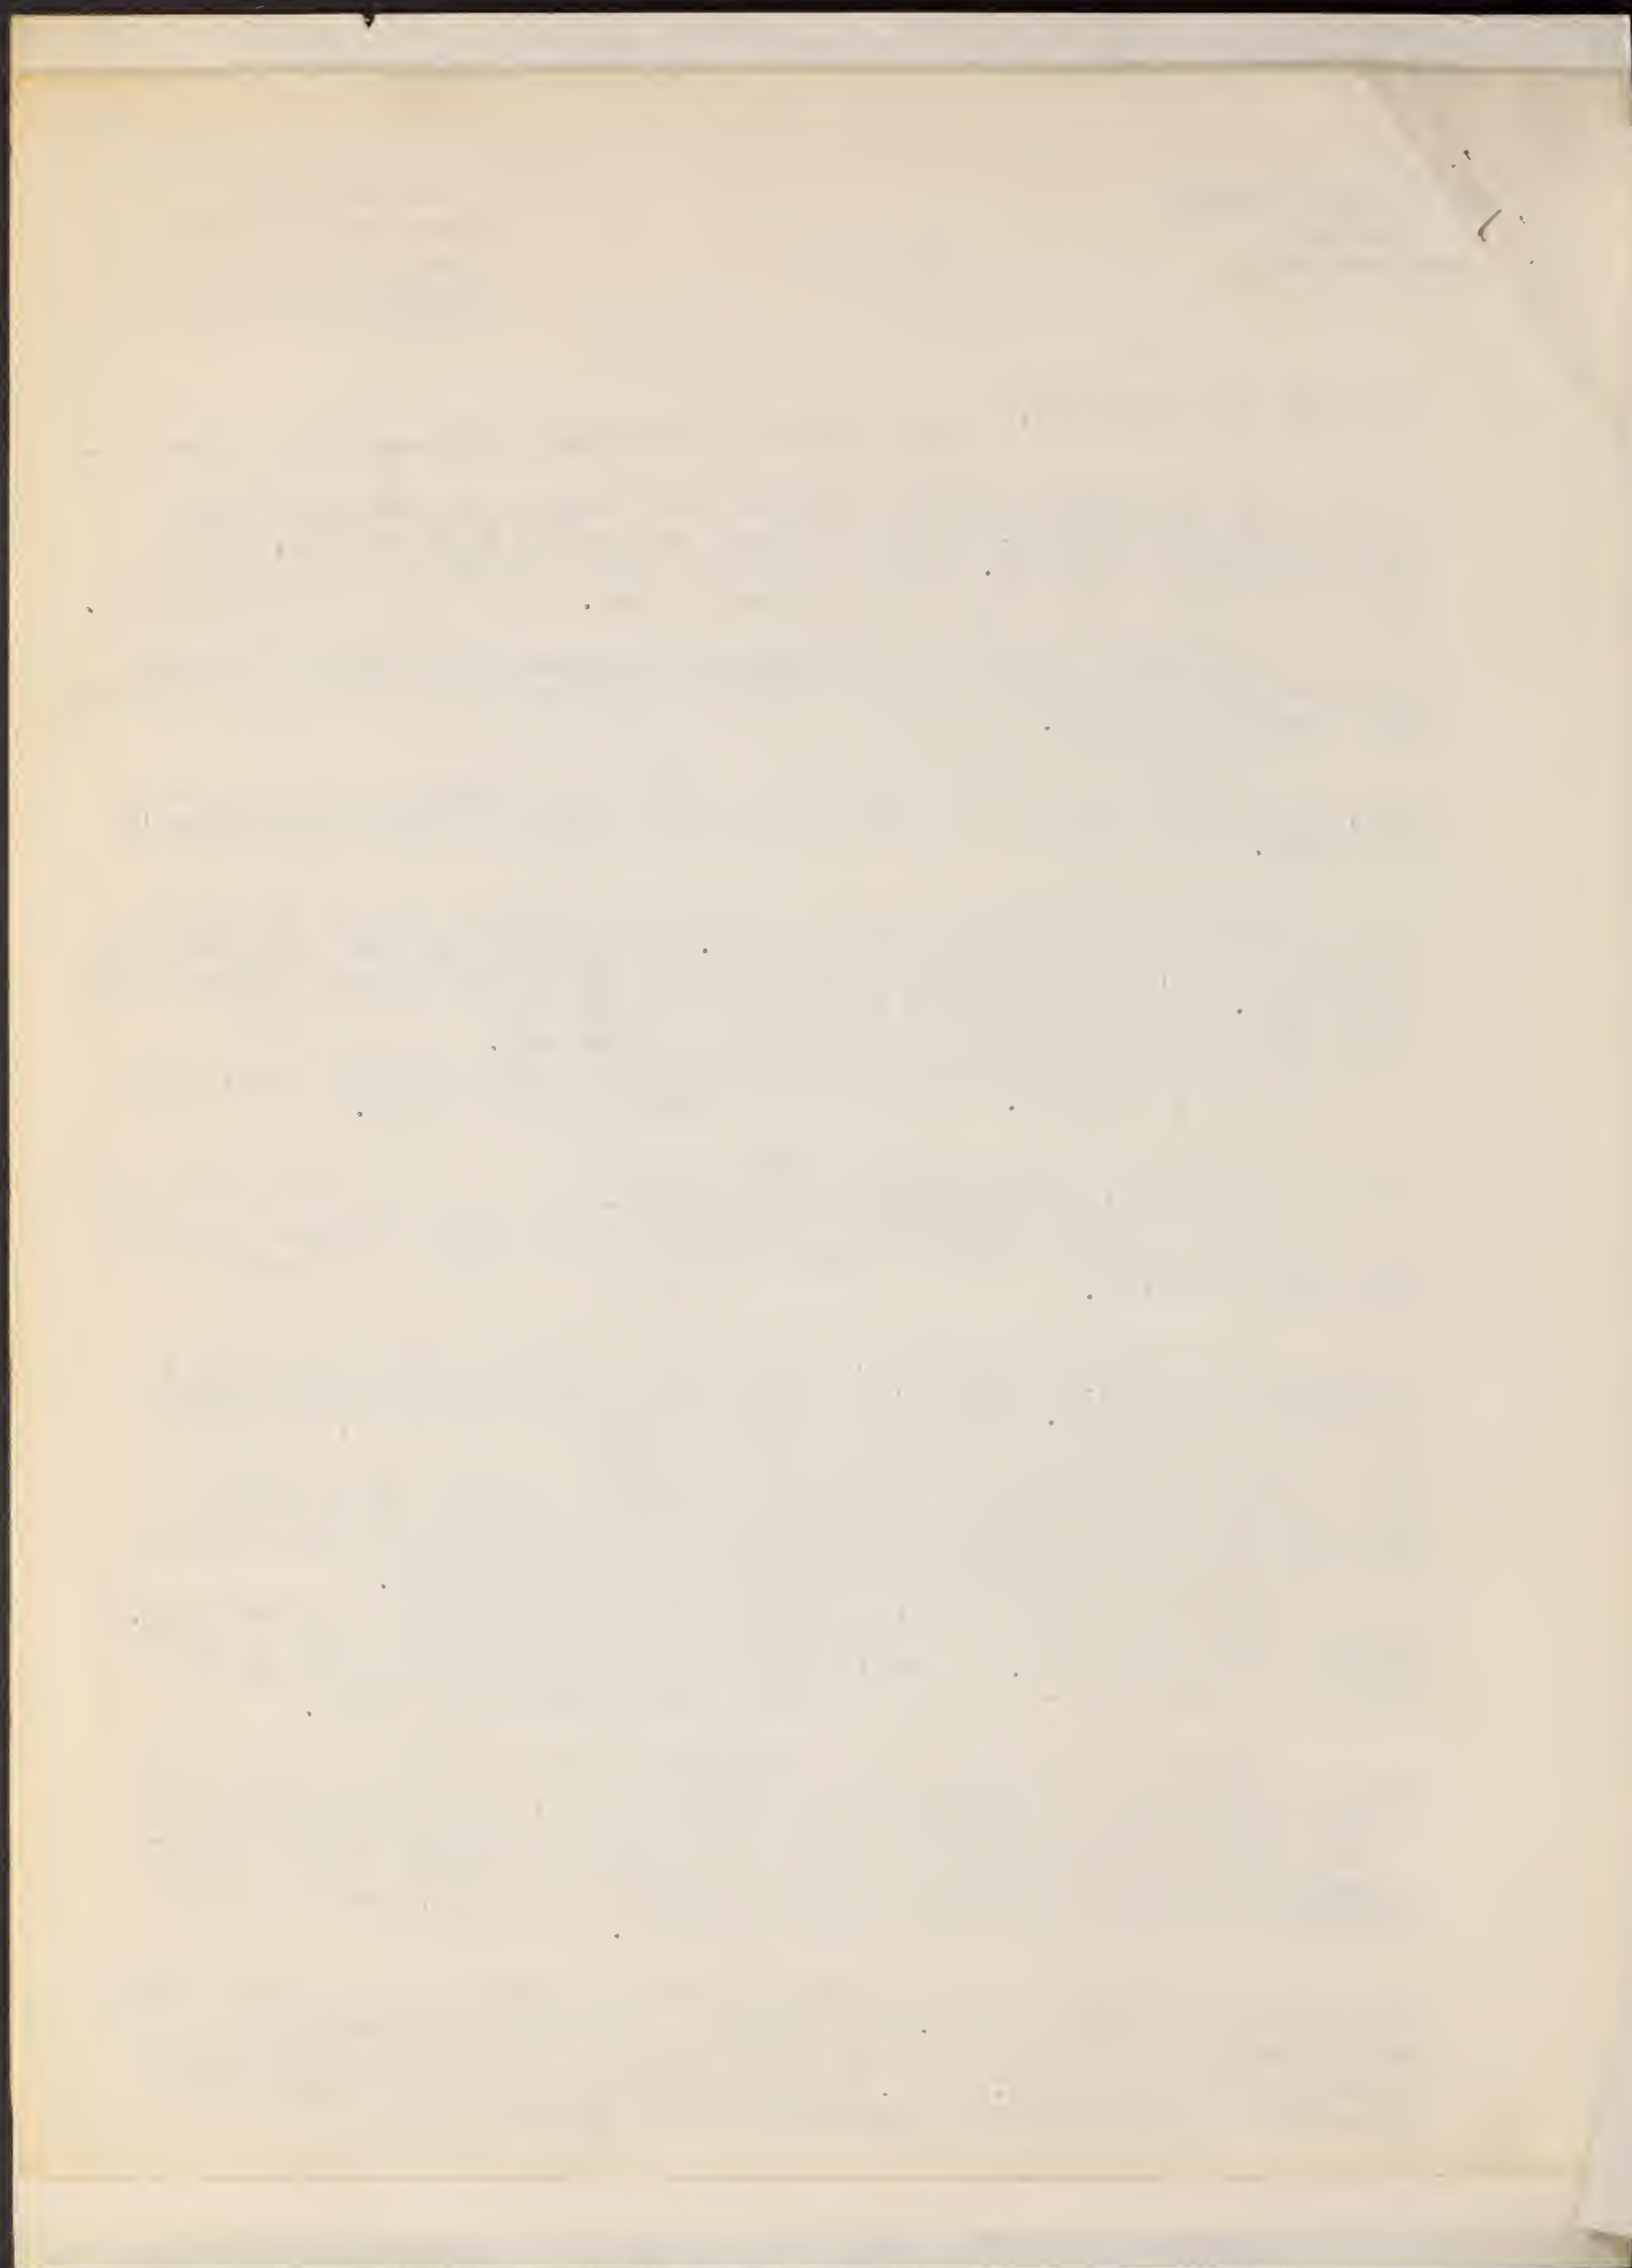

They also have all the D.A.R. records there, and copies of most early New York State church records too, there. Those early Dutchmen and the Quakers were wonderful about recording early people even if they did not belong to their particular Church.

The Rose family here, do not seem to have been Church-minded. I have made copies of all our early church records and they do not appear in any of them. I would think the Roses would probably be "Church of England"- but none in our Zion Episcopal Church.

There is quantities of material at the Dutchess County Historical Society's Library at Poughkeepsie N.Y., but I never can get a reply from them. There should be information on these Roses there.

The New York Historical Society's Magazine -I think it is called Genealogical & Biographical Review- or some such name, -has a lot of material on early Dutchess County families.

I imagine the Bennington woman with whom Dr. Burleigh corresponds would be Isabel Cole. She knows a lot about the Southern Bennington County families, but these records of the Northern part of the County are here. Mrs. Hazel Wilson of Bennington also does research- I know them both well--they are ardent D.A.R.s

Samuel Rose of Manchester. First land Grants and Deeds call him variously of Nine Partners(now Amenia): Amenia & Charlotte Precinct-all in Dutchess Co., N.Y.

Probate records of Samuel Rose of Manchester

Joel Rose(son) appointed Administrator of Estate, 27 March, 1782

Children mentioned----

Samuel "eldest son"; Joel; Joshua; Abraham; Heirs of Ara (son).

"Female Heirs" Rachel Gordon; Elizabeth Allen; Phebe, wife of Zebulon Moses; Lydia wife of Elijah Smith. Also mentioned as an Heir- Samuel Irish son of Jonathan & Milla Irish of Danby Vt. (Milla was a dau.)

Wife- Sarah Marsh

Zebulon Moses & Elijah Smith appear in 1790 Census of Rutland Vt.

No Mathias Rose in any records in this Area.

Benjamin Rose of Winhall- Town East of Manchester, Vt. Will dated 6 Aug. 1785; probated Jan. 6-Feb. 26, 1787. Wife Eunice; Sons- Benjamin; Joseph; Nathaniel; John; Samuel; Daughters- Eunice; Freedom(!); Lucenda; Huldah Son Joseph Executor.

Rose

Ara (also spelled Arra & Aara) son of Samuel Senior. Will presented to Court in 1785, but not accepted as improperly witnesses. His wife was Sarah Rose (?). A Stephen Rose of Danby seems to have been his son- also a son Abel Rose, and probably a daughter Chloe Rose. (There are a lot of Chloe Roses floating around here in records, and some Chloes in Canadian records too- some in that Washburn Cemetery about which I wrote you,- in Canada, but their dates do not check with any of these Manchester Chloes.)

Joel Rose's children (most of their births recorded here and some from Family Bible)- Isaac b. 20 Nov. 1774; Joel b. 11 Nov. 1776; Hannah b. 6 Oct. 1778; William b. 28, Oct. 1780; Peter b. 20 Sept. 1782-d. here Dec. 13, 1811; Martin b. 6 May 1785; Ezra b. 9 Aug. 1787; Levicy b. 17 June 1789; Levi b. 17 June 1789; Nancy b. 30 Sept. 1794

William Joel Rose married here July 4, 1774, Rachel Roberts (she was probably one of that Dutchess Co., N.Y. Roberts family who moved up here with all those Amenia families- but not a shred of evidence as to whose dau. she was.

Joel Rose Sen. died about 1819 as an Administrator was app'td for his Estate here Dec. 5, 1819. He was then of Lysander "Onondaga" (Onondaga) Co., N.Y. Most of his family seem to have died- widow not mentioned. Sons William -then living in Tioga Co., Penn.; Martin -then living in Bradford Penn.; Ezra and Levi of Manchester Vt. are mentioned- also Zina Parrish daughter of Hannah Parrish of Danby Vt.

Land records show Zina Parrish wound up with her Uncles, in Dellmar Tioga Co, Penn.; and Levi Rose ended up in Phelps, Ontario Co. N.Y.

I would not know about the Rose family in Saratoga "District"- does Dr. Burleigh mean Saratoga County N.Y.? Some of the Amenia Roses may have settled there for all I know.

There is only one Gravestone for any of the Rose family in any Cemeteries here- Peter son of Joel Rose d. 1811. Tradition says there was a family Cemetery on the old Rose farm. But that is now covered with Pine plantings, so nothing could be found there.

Science has proved there are certain food elements everyone needs for proper nutrition. If there aren't enough of them in the food we eat, serious things can happen. For example: If a child's diet is deficient in vitamins, his appetite is likely to be stunted and his growth may be retarded. His resistance to infection may be lowered. As a protecting food drink, Ovaltine supplements the food elements more like ordinary foods—insurance against retard normal development. Ovaltine has Vitamins A, Calcium, Phosphorus, and Iron in the liquid. In all cases, proper nutrition is essential for health.

ANSON E. ROSE

ODESSA, Sept. 25—The funeral of the late Anson E. Rose was held from the Ross A. Jones funeral home with Rev. C. W. Hollingsworth in charge. The deceased, who had reached the advanced age of 90 years and some months, was a highly respected resident of the Odessa district. His wife, formerly Miss Martha Baker, predeceased him in 1928. He was a son of the late Mr. and Mrs. James Anson Rose and was born and resided on the same farm near Odessa all his life. His father was also born on the same farm.

He was a staunch Liberal and a faithful member of the Salvation Army. The late Mr. Rose had been about his duties and retired a little earlier than usual. He was ill for about two hours.

The funeral service was well attended and the hymn sung was "Safe in the Arms of Jesus." James McGaughey sang as a request number, "Does Jesus Care?" Interment took place in the Wilton Cemetery.

The pall-bearers were Orlo Snider, James McGaughey, W. C. Snider, Irvine Card, Earl Lucas and Fred Sharpe.

He is survived by a family of three, Miss Sarah Rose, with whom he resided, Mrs. Darius Smith and Roy Rose of Newburg. There are nine grandchildren and four great-grandchildren. Two of the family passed away when young.

what I mean

we have:

1. Samuel Rose of Manchester
2. Samuel et. al. m. Chloe Canfield.
3. Samuel Jr. 1774-1825 m Charlotte McIntyre
4. Charlotte Rose m. Isaac Lockwood
5. Sarah Lockwood m. Dr. G. B. Rose,
1815-1900 1815-1883

and then we have:

1. Samuel of Manchester
2. Samuel et. al. m. Chloe Canfield.
3. Ezekiel m. ?
4. Dr. Alvin Benson Rose m. Sarah Lockwood.
1815-1883 1815-1900

We know that Sarah Lockwood and Dr. G. B. were both born in 1815 and looking over the material you sent to me I notice that of Ezekiel's children his son Charles received his order in Council in June 1818, and if he was 21 at that time his birth year would be 1787. Then the next child ^{Marintha} was born approx. 1817 and Alvin born 1815. Would it be possible that Charles was a father to Marintha, Alvin etc. rather than brother?

We didn't get down to the opening of Upper Canada Village but we are going as soon as possible. Bye for now. Joyce Clausen.

Dear Mr Burling, -

Just a quick note
will a little information on the
Rose family that perhaps you don't have.

There is living in Aurora Ontario a
Mr Rose who is a descendant of Sam. U.E.L.
through John, son of Samuel Rose Jr &
Charlotte McIntyre. He has an enormous
amount of background material on the
Rose family. Human interest stories etc.
But he doesn't have anything further back
than we have except that the Aunt who
~~co~~ compiled their history thought that
the Roses came from Holland in 1710
although the enclosed list of military
service for Alex & John 1708 seems to
deny that.

In our line of Roses we seemed to
have lost a generation unless I have this
figured mistakenly. I will try to show

If what I have written is approximately true, then Ezekiel, born about 1770-3, was about 26 years of age when Charles was born, and about 46 when Marantha was born. In those days there were large families, and in many cases the eldest son, or daughter, had children older than their aunts or uncles.

My interpretation is as follows:

Samuel, Sr., of Manchester, born about 1720, father of
Samuel, Jr., the Loyalist, born in 1745, father of
Ezekiel, born about 1770-3, father of
Alvin Benson, born in 1815, and
Marantha, born approx. 1817.

I hope that you agree with my interpretation, and that you, some day, come on proof of same.

I did not go to the opening of Upper Canada Village, although I had an invitation. I dreaded the huge crowd, the cool, muddy day, and the long hours sitting in one place. We also expect to go down at a quieter time. I was through it two years ago, when it was still in the unfinished state. It is very intriguing, and very similar to the pioneer village at Starbridge, Mass., which we saw several years ago. At the latter place the admission fee was \$3.00, while that of Upper Canada Village was only \$1.75, a reasonable fee in spite of the quibbling of certain parties.

Sincerely,

H. C. Burleigh.

7 July, 1961.

Mrs. Joyce (Paul) Clausen,
Tottenham,
Ontario.

Dear Mrs. Clausen:

Your letter of 4th inst., awakened pleasant memories, and I hasten to reply to your queries, and to help dissipate your doubts and uncertainties.

The name Rose could be English, Scotch, or Dutch. There are Roses in Scotland, of which I have some details. The reason I think your family is Dutch is the common use of the given-name Arra, or Arie, which is definitely Dutch. There was also a family of Rose who were Palatine Germans, and who came from the Palatine region along the Rhine Valley in 1710. So, there may be some truth in the statement, which you quoted, that your family was Palatine German. This could only be decided by further search in the family in New York State.

If you look over your notes, you will find that Samuel Rose, the Loyalist, the eldest son of Samuel, of Manchester, Vt., was born in February, 1745, and that his wife, Chloee, was born in December, 1747. These people, with their children, appear in a subsistence list in Haldimand papers of Dec., 1781-Jan., 1782. This list states that there were 4 sons over six years of age, one son under six, and ~~two~~ two girls under six. A later list, of Nov., 1783, shows 2 sons over 12, 3 sons between 6 and 12, with 3 daughters under six. If this is true, as I believe it to be, it can be interpreted as follows:

These are likely:

1. son, born about 1769.	David
2. " " " 1771.	Roses
3. " " " 1773.	Ezekiel
4. " " " 1775.	Jacob
5. " " " 1777.	Samuel
6. dau. " " 1779.	Chloee
7. " " " 1781.	Rachael
8. " " " 1783.	Susannah

Do not be misled by the baptismal date, as a number of children were baptized some years after birth, mainly because of scarcity of ministers, as well as lack of opportunity. Likewise, do not judge ages by the date of application for land. These applications, where a son is involved, means that the applicant was 21 years of age, or more.

You have not lost a generation; you have put in a generation too much. Also, you have miscalculated the age of Charles, son of Ezekiel. You state that he had 200 acres by Order-in-Council in 1817, which would make his birth in 1787. If you subtract 21 from 1817 you will get 1797, not 1787.

You will also note that only two children of Samuel U.E. were classed old enough to also be classed as Loyalists, namely Moses and Ezekiel. This fact infers that they were about 14 to 18 years of age in 1784, which means that they were born about the time I estimated above. It is assumed (or must be) that David died before time to be included in the U. E. List.

Dear Mrs. Card:

Somehow, why I cannot recall, I received a letter from you regarding the Rose and Card families. I am sorry to be so long in replying to it. Perhaps it was addressed to the Postmaster. All such letters are referred to me because I am the only genealogist in this neck of the woods.

I have been collecting information about our early families for more than twenty-five years. I have many note books, obituaries, military records, cemetery records, etc., etc., as well as files on more than eight hundred families. I mention these sources because the bringing of all references to a family requires hours of work. In addition, I hire a typist to assemble and type out the result of search.

This being so, I feel that the enquirer should pay for service. In this instance, I have a good deal of pertinent information on the Rose family. This goes back at least two generations beyond the Daniel Rose who was born in 1781, and furnishes place of origin in U. S. A., causes of emigration to Canada, places of residence, etc.

Unfortunately, I cannot supply definite ancestry of the Cards, although I can furnish a good deal of information which would form a part of their back-ground. I can also supply names and addresses of persons who should be of assistance to you in furthering search regarding this family.

If you are sufficiently interested as to forward the sum of twenty dollars, you will receive at least ten pages of most interesting information on these families. This will, in large part, pay the cost of typist's work.

Yours sincerely,

H. C. Burleigh,
Bath, Ontario,

Dear Dr. Burling, -

Now that summer visitors, swimming lessons, and fall fairs are over, there will be more time for research and correspondence. Nevertheless I am very sorry I haven't written to you before.

For the present, I would like to leave aside your very kind invitation to join the U.C.L. Association.

I am, indeed, interested in the booklet of the History of Manchester Town and would like to have it, provided it isn't too costly.

Yesterday, I received a call yesterday

from our local book ~~store~~ dealer saying
that

are available, but they are much too
expensive for me. So if you would be
interested, could you let me know and
I would be happy to order them for you.

If I should ever be fortunate
enough to find anything pertaining to
the history of the Bay of Quinte area, I
shall certainly direct it to you or the

Dear sir:

Recently I was privileged to read excerpts from a most interesting booklet, "Manchester. Vermont History," written by Mr. Carl M. Chapin, and copyrighted by your Society. This intrigued me very much, as some of my ancestors, particularly the Roses, were mentioned in it.

Would you please tell me if it is possible to obtain copies at this late date? If so, I should like more than one, in order that one or more may be placed in the Archives of our Local Historical Societies. Your reply would be appreciated.

Yours sincerely,

Sorry to be so late in writing but

Dear Mrs. Clausen:

I am sorry to be so long in replying to your letter of the 4th inst. Please forgive me.

I likewise was happy to know that I had given you satisfaction with regard to your Rose family story. I can assure you that you might not have gathered all that in a lifetime, unless you know where to look. It is a fuller story than many other Loyalists can boast about.

I am on the lead of a booklet regarding the history of Manchester Town, Vermont. I do not know what it will cost, but it will be very little, a dollar or so, if you are interested.

If you should wish to become a member of our Branch of the U. S. L. Association, I shall be glad to be your sponsor, and I can easily find a seconder in my wife. Our Association represents an attempt to create an honored past in a country devoid of heroes, except French-Canadian, and to form a buffer against the over-present and blatant Americanese, with their distorted views of all Tories.

Thanks for your donation to the cause of preservation of deeds and exploits of our ancestors.

Yours sincerely,

Dear Miss Mac Farland,

Mrs. Ross Glasford, genealogist of the

address and suggested I write to you. There
are many questions I should like to ask but
am not sure if you have access to the answers
so will take a chance.

We have found Samuel Rose Sr. who married
Eliza Canfield. Now, how do we find from
whence he came? also dates for Samuel Sr.
and his sons of which we know he had three,
but don't know if there were other children.
The three sons were 1. Ezeiel Rose of Edwardsburgh
and Montague. Qu. who was Ezeiel's wife?
2 Samuel Rose of Welford who married Charlotte
McIntyre. Qu. Any children? 3. Moses Rose
of Montague. Moses had a son Samuel ~~aka~~
of Town of Niagara, who received his Order in
Council for land 3 Sept. 1840. Could you trace
any of Samuel's or Moses' family for me?

Now, returning to the first son Ezeiel

to work on? and am I writing to the proper
places?

Yours Sincerely

2.

we know she had one son Alvin Benson Rose 1815-1883. Did he ^{Alvin B.} have any brother or sister? I think it is possible that Alvin's mother was a Benson, daughter of Albert?

Alvin Benson Rose's son Ezra, 1844-1927, had a son Robert Thompson Rose 1862-1943 who we think was born about a mile from Spencerville, Greenville Co. How would we find where Ezra was married and if, in fact, Robert was actually born there? Where would I write in Greenville Co for information?

I realize this is a tremendous amount of work I am asking someone to undertake, and I will appreciate any information you may be able to discover. Especially if you could discover where Samuel Sr originated. Was he A.S.C. or did he come from the old country.

Perhaps you could give me some addresses to which I might send inquiries. Mrs. Glensford also gave me the address of Mrs. W. M. Spack 91 Bold St. Hamilton and I shall write to her. Am I supplying enough information

Dear Mr Burlingh,

Needless to say I was most pleasantly surprised to receive so much information, regarding the Wood family history, in such short order, and certainly fortunate in finding you so early in my search for sources of information. If, in the future you find anything pertinent, I should be very happy if you would forward it.

There haven't been many obstacles in the way of tracing the descendants

of Mr. A B Roe (Alvin) as I am in
touch with two elderly cousins if
you feel they would be of any
interest to the M. L. Association I
would be happy to send them along.

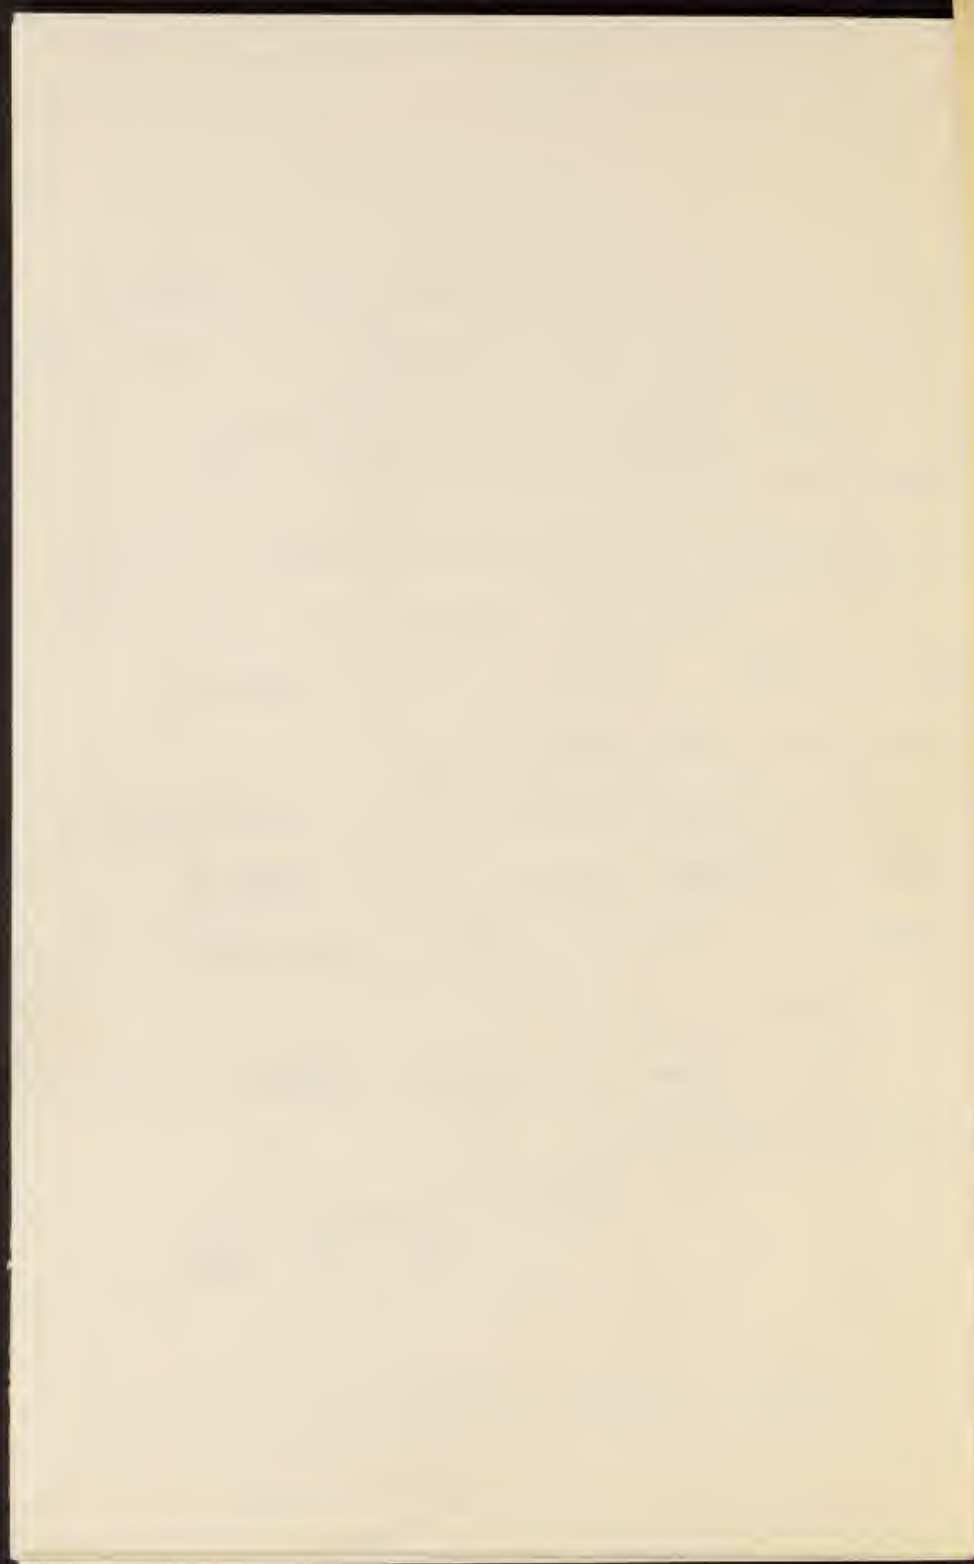

If I should desire to join the
association how would I find a
sponsor and second?

Enclosed please find a money

received.

And again, many thanks for so
much material.

My dear Dr. Demorest:

I regret very much the delay in replying to your letter of May 23rd. This has been occasioned by considerable extra business.

Although our records have been searched to a certain extent for possible information concerning your Hennessey, Weller, Marsh, and Richardson problems, nothing helpful has been located.

However, there is in the library an able research worker who makes extensive use of the Society's genealogical collection of New England families. She is Mrs. S. H. Mills of 110 East State Street, Montpelier. It is entirely possible that Mrs. Mills will be able to be of assistance to you should you care to employ her services. Her fee is moderate.

Sincerely yours,

Co. Native Retires After Long Service Dept. Of Agriculture

Picton Gazette

Oct. 16, 1959

Dr. Gordon A. Rose, Assistant Veterinary Director-General, retires October 14 after 39 years service with the Canada Department of Agriculture.

Dr. Rose is also Chief Veterinarian (Meat Inspection Section), Health of Animals Division.

He joined the department in 1920 as inspector in charge of a Toronto meat packing plant. In 1942 he came to Ottawa as associate chief veterinarian (meat inspection service), and eight years later was named chief veterinarian. He assumed his present position in 1955.

During his distinguished career, Dr. Rose has seen a doubling of the number of plants under federal inspection to a present figure of nearly 200 — handling an estimated 80 per cent of the meat slaughtered in Canada.

Dr. Rose was born in Prince Edward County in Ontario in 1894 of United Empire Loyalist stock. The family farm, acquired from the Crown, is still operated by a brother. He attended Picton High School and Toronto Business College before graduating from Ontario Veterinary College in 1915.

Immediately after graduation, he accepted a commission in the Canadian Army. He was seconded to the British Imperial Army and saw action in England, France, Belgium and India. On being discharged in 1919, he joined the militia and retired only last year with the rank of lieutenant-colonel.

Dr. Rose is a member of the Ontario Veterinary Association, the Canadian Veterinary Medical Association, the American Veterinary Medical Association and is a past chairman of the Ontario Section of the Professional Institute of Canada. He is a member of Chalmers United Church

in Ottawa, the United Services Institute of Ottawa, and the Canadian Legion. He is a life member of Killwinning Masonic Lodge in Toronto.

An avid golfer, Dr. Rose is a member of the Ottawa Hunt and Golf Club. Upon retirement, he will take a holiday but has not projected plans beyond that point.

medicine, national health or socialization or whatever one wishes to call it".

"Doctors must declare themselves as prepared to participate in any medical plan that can be shown to be positively designed and destined to improve the national health. We, the medical profession, must give leadership. It is our duty and obligation to go to government and insurance companies, and anyone else interested in this business of medical care, and let them know that we know a great deal about medical plans from those that have been administered by doctors in Canada and throughout the world. We must let everyone know that we are prepared to assist whenever called upon to set up a plan that will be the best in the world for the medical care of the people of Canada."

"There is no doubt in my mind that organized medicine in Canada is strong enough and capable enough, to formulate such a medical plan. I am sure that the people of Canada will stand behind us and help us put into operation

There are also small tractors that will do a quarter acre of vegetable garden in less time than the average man needs to cultivate a plot 20 by 30 by hand. SPECIAL FLOWERS FOR SPECIAL PLACES

Flowers like most people are individualists. They have very real preferences in regard to soil, shade and moisture. For slopes, for instance, there are a score of special plants, mostly tiny, that thrive in such a location. These are listed in the seed catalogue usually under the general heading of "Rock Garden" plants. They need very little soil or moisture and they will add color and cover to any bit of steep ground.

Then there are flowers that do best in shade, things like begonias, violets, pansies, lily-of-the-valley and so on. These are just the right sort for planting on the north

side of house places where ily shaded. Ha place for the v There is even shady locations

of Hastings. I do not think that he is Arra, son of Samuel, Sr., the Loyalist, because this Arra applied for land as a settler, not a Loyalist. However, I supply you with these notes, just in case.

9. Two references to Ezekiel and Moses Rose.

10. I was indeed fortunate in having the enclosed photostatic copies of applications for land by your family. The first one, that of John Rose, does not seem to belong, but I have enclosed it. Although Samuel, Sr., seems to have settled at Sorel for a time, these papers show that his children came up the St. Lawrence early--at least Ezekiel was in Edwardsburgh in 1790, while David was in Williamsburgh in 1792, as was Samuel, Jr.

That is the sum total of my present information. But there are many other possibilities. I shall list those which readily come to mind:

1. There are two histories of the old Eastern District, which comprises the counties of Glengarry, Stormont, Dundas, Grenville and Leeds, as well as a later history of the first three counties. They might contain something. If you cannot come on them easily, there are copies in Queen's University Library, Kingston, which I could scan, if you so desired.
2. Census records of various townships, which are in the Public Archives, Ottawa. These are available, for the most part, for 1841, 1851, 1861, 1871, but I imagine that you would have to go to Ottawa to see them.
3. The more detailed History of Manchester, Vt., a copy of which a friend of mine has, but cannot put his hand on it at the moment.
4. Church records in the various townships. The archives in Ottawa might inform you as to their location.
5. Cemetery records in the various communities, particularly in the townships near Prescott and Brockville.
6. Early wills. These often can be found in the county towns, such as Brockville and Prescott, etc.
7. Church records in Dutchess and neighboring counties in New York State.
8. Records collected by the New York Genealogical and Biographical Society.
9. And many others--histories, annual publications of Historic Societies.

I am sure that you will be busy sorting out these notes. At the same time I wish to say that I am sorry that I could not find the wife of Ezekiel. Nor can I help you with the later generations. For that you must go to your family, the obituaries in local papers, cemeteries, etc.

After looking over the amount of information I have supplied, as well as the time consumed, I feel that you are indebted to me to the amount of thirty dollars. I hope that you do not feel that it is too much. Really, a great deal of it is the work of thirty years and frequent visits to Ottawa, Vermont and New York City, as well as many dollars spent in books and publications.

If I can be of further help, please let me know.

Yours sincerely

H. C. Burleigh

Dear Doctor and Family:

If you think you
are a poor correspondent,
Otto has the word beaten.
He has been going to
answer your letters for
months. Then two weeks
ago he got a bad case
of the Shingles. Now
he is recovering but
one day he feels fine and
the next not so good. He
went back to work part
time at first and then

at your home. The
fine after noon we spent
with you and hope
this present War will not
stop you folks from coming
to Chicago or over sea -
turning to Canada soon
again.

WE found Rose's living
in Vermont, just as you
had surmised. One family
at Rutledge and one
near Bennington. We
were unable to linger
long at either home, but
hope to find out more
information about them.
We found nothing to establish relationship.

last week tried working all day. He has been taking large quantities of vitamin B' which has been helping him regain his eyesight and helps the extreme pains he has been suffering. He had a belt about his chest to his back bone, of 72 square inches of New Skin to heal back. But now he feels better. However, his letter writing suffers more than ever, as you notice.

To go back to last summer - we often speak of the

We were ⁴ too late to get
into the Court House at
Albany & had no time
to go back, so our search
was rather fruitless thus
far. But Don Sheppard
from Kingston, Otto's Cousin
at Queen's University, came
across the enclosed informa-
tion while digging out in-
formation for his Master's
Thesis at Queen's U. Library.

Mrs. Lowry stopped in
Chicago and we spent an
evening with her before
she left for California.

Write, and we shall do
better next time. Hope this
finds you and your family well
